THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. It begins with the first settlers, who came to the Americas in search of a new life. They found a land of opportunity, but also one of hardship. The early years were marked by struggle and sacrifice, as the settlers fought to establish a new society. Over time, the United States grew from a small colony into a powerful nation. It faced many challenges, including war and economic hardship, but it always emerged stronger and more united. The story of the United States is a testament to the power of the human spirit and the ability of a people to overcome adversity. It is a story of hope and dreams, of a land where everyone has the chance to make their own destiny. The history of the United States is a story that continues to inspire and guide us today.

Conditions of Sale:

1. Cash with order, we do not ship C.O.D.
2. Customers living in Missouri should add 2% state sales tax to all orders.
3. We cannot accept plant orders for shipment of less than \$5.00.
4. All prices are subject to change without notice.
5. All prices are net, f.o.b. St. Louis, Missouri, except where otherwise noted.
6. All plants are listed subject to prior sale.
7. All plants will be shipped via Railway or Air Express in Winter Months.
8. Claims for damaged shipments must be filed immediately with the carrier by the consignee. We make every effort to pack carefully; however, our responsibility ends when the shipment is accepted by the carrier.
9. All plants will be shipped out of pots to reduce weight and shipping costs. Customers wishing plants in 3 in. pots or larger, left in pots should add 50¢ extra per plant to cover additional costs of packing.

Many of our plants are growing in Fir Bark and when plants recently repotted are removed from the pots the bark will fall off the roots making the plants look like they came from smaller size pots than were ordered. We wish to make this notation so that our customers will know we aren't sending smaller size plants.

10. We give no warranty, express or implied, as to the productiveness of any plants we sell and will not in any way be responsible for the crop. Our liability in all instances, is limited to the purchase price of the plants.
